A highly motivated graduate with a First-Class Honours degree in Business Economics, aiming to secure a position in a team-oriented workplace where I can apply and further develop my soft skills and comprehensive understanding of economics and finance. I am excited to utilize the expertise and competencies acquired through my academic and professional experiences.

EDUCATION

University of Greenwich -- BA H Business Economics (01/10/2020 - 11/07/2024)

Through both coursework and practical applications, I gained insight into how financial principles drive economic activity and shape business strategies. This knowledge encompasses the complexities of financial markets, including trading mechanisms, investment instruments, and the functions of banking institutions. Additionally, I learned to interpret financial data, evaluate investment opportunities, and effectively manage risks, which are essential skills in today's ever-evolving finance landscape.
