I am a First-Class Economics graduate with robust experience in financial modelling, data analysis, and econometrics. My background includes consulting at 180 Degrees, where I developed data-driven insights for strategic projects, and I keep a keen eye on global market developments. I am highly motivated to apply my analytical skills and finance knowledge as a Graduate Analyst, where I can contribute to and grow within a dynamic finance team.

EDUCATION

University of Bristol -- Economics (01/09/2021 - 01/06/2024)

1st Class with Honours

Dissertation on the Impact of Monetary and Fiscal Policy on Inequality, using an ARDL-ECM model Key Modules: Econometrics, Mathematics for economics, Industrial Economics

Rutlish and Ricards Lodge 6th Form -- A Levels (01/09/2019 - 01/09/2019)

A* in Maths, Economics, English and Physics

WORK EXPERIENCE

01/10/2024 - 01/12/2024

Admin and Exams Assistant [South Thames College]

Improving the workflow of the office as a part time assistant.

Practical experience using excel to gather and present data for the senior leadership team

Processing complex information into spreadsheets for further analysis

01/02/2023 - 01/02/2023

Strategy Consultant [180 Degrees Consulting]

Improved the models of charities to reach new partners and clients in both the UK and the world Used data analytics from social media to discover a low turnover rate from social media to website. This informed our decision to alter marketing strategy to target a younger demographic, reaching out to colleges and universities. Received training from EY and Lancia consult to improve our knowledge and abilities Used clear communication and presentation skills to share our deliverables

01/06/2022 - 01/06/2024

Treasurer [University of Bristol Student Union (Drama Society)]

Implemented a new proposal template to aid members who are producing plays to gain a better understanding of budgeting their shows Raised £4,000 in my first year, doubling our funds in the past by cutting unnecessary costs that had been harming the society in previous years. Produced a show with a sold out run at the prestigious Tobacco Factory theatre in Bristol Examined capital and costs to align with the budget and schedule, practising economical measures and meeting our timely deadlines.
