As an analytical and motivated individual, I am knowledgeable about data modelling practices and have performed company-wide research projects. I am seeking a career launch with a company offering opportunities for professional development. I have experience in the financial sector as a Fixed Income Trader, FX Product Sales Trader, and Assistant Branch Head at Ecobank Nigeria Limited. I accurately processed routine treasury product transactions, managed the bank's vault, and properly processed deposits, withdrawals, and payments for an average of 200 customers daily. In addition to my work experience, I am pursuing a Master of Science in Management with Business Analytics at Bournemouth University and I possess Data Analytics Certificate of Completion in R software, SQL, Python, Pandas, and Tableau. My skills include Excel proficiency, MS Office, computer skills, data analytics, investment strategy, and portfolio management. I am excited to bring my diverse skill set and experience to a new company and continue my professional development through ongoing certifications.
